THE CLASSICS

C O L L E C T I O N

THE CLASSICS collection created, by Alberto Córdoba and German Munster, demonstrates that vintage is in fashion. Fundamental haircuts from classic barbering revisited with a contemporary feel. A strong “back to classic” style doesn’t mean it’s a step backwards. Each haircut and styling technique, completed by beard and moustache care, is characterized by simplicity, harmony, and attention to details; “order” is the key word.

La collezione **THE CLASSICS** creata da Alberto Córdoba e German Munster dimostra che il vintage è di moda, grazie ai tagli fondamentali del barbering classico interpretati con un approccio contemporaneo. Un evidente “back to classic” che non definisce per forza un ritorno al passato. Ogni proposta sia di taglio che di styling, completata dalla cura di barba e baffi, si caratterizza per la semplicità, l’armonia, la cura dei dettagli e si contraddistingue con la parola chiave “ordine”.

La colección **THE CLASSICS** creada por Alberto Córdoba y German Munster demuestra que el vintage está siempre de moda, gracias a los cortes fundamentales de la barbería clásica reinterpretados con un toque contemporáneo. Un evidente “back to classic” que no determina obligatoriamente un regreso al pasado. Cada propuesta, tanto de corte como de styling, completada por el cuidado de barba y bigotes, se caracteriza por la sencillez, la armonía, la atención en los detalles y se distingue por la palabra clave “orden”.
