GENT'S CLAN

To quintessentially change one's style and acquire an urban, grittier look is the most current trend of today: hence Gent's Clan, a modern reinterpretation of the style of English gangsters from the '20's of the last century. A focus on the cuts, details and styles: the luxury of male fashion from the '20's after the First World War, updated to our times, interpreted with a modern twist by the DEPOT team. Exactly 100 years later, Gent's Clan is represented by a "retro dandy" style with fresh, wearable hairstyles. We could dare to say that the concept of this collection can be summed up in one word: "timeless".

GENT'S CLAN, WHERE EVERYTHING IS POSSIBLE.

Cambiare lo stile classico per antonomasia e adottare un look urbano più grintoso è oggi in piena tendenza: così nasce Gent's Clan, una reinterpretazione moderna dello stile dei gangsters inglesi degli anni '20 del secolo scorso. Un obiettivo focalizzato nella cura del taglio, nei particolari e negli styling: il lusso della moda maschile degli anni '20 dopo la prima guerra mondiale, riportato ai giorni nostri, interpretato in chiave moderna dal team Depot. Gent's Clan, dopo esattamente 100 anni, si manifesta con uno stile "dandy retro" che sfoggia acconciature fresche e indossabili. Possiamo azzardare a dire che il concetto di questa collezione si può riassumere in una parola chiave: "evergreen".

GENT'S CLAN, DOVE TUTTO È POSSIBILE.

Abandonar el estilo clásico por excelencia y adoptar un aspecto urbano con más carácter, está ahora en pleno apogeo: así nació Gent's Clan, una reinterpretación moderna del estilo de los "gangsters" ingleses de la década de los '20 del siglo pasado. Un objetivo enfocado en la atención al corte, en los detalles y en el styling: el lujo de la moda masculina de los años '20 después de la Primera Guerra Mundial, transportado a nuestros días, interpretado en clave moderna por el equipo de Depot. Gent's Clan, después de exactamente 100 años, se manifiesta en un estilo "retro dandy" que elige estilos frescos y fáciles de llevar. Podemos aventurarnos a decir que el concepto de esta colección se puede resumir en una palabra clave: "eterna".

GENT'S CLAN, DONDE TODO ES POSIBLE.
